

SILVERLINK 600

Create that distinctive chargrilled flavour and branded appearance without the need for messy lava rocks with the Silverlink 600 Gas Chargrill. Utilising innovative radiants instead, the chargrill experience is much cleaner, while the twin zones make for maximum flexibility. The variable heat control and heat retaining cooking grids produce the clean, sharp chargrilled marks that will make your dishes even more appetizing. It's perfect for cafes, bars and restaurants.
