Stainless steel dual-door chiller tailored for commercial

The RK1420X1 is an upright chiller made from durable SS304 stainless steel and robust wheels to ensure that it can withstand the conditions of a busy kitchen. It has a 53% lower energy consumption compared to the previous RK1420 model. It has an efficient ventilated cooling system to ensure that content stays fresh, and the temperature is easy to set on the digital controller. The controller has NFC connectivity and Bluetooth. This means that you via an app can control the lighting, check the temperature of the cabinet, and even export data for easy reporting. It comes with adjustable GN2/1 shelves and the doors have a 105 degree stop for easy access and loading.
